Leave a Legacy of Good Health

Help ensure that America's poor and homeless children are not forgotten. Consider supporting the Children's Health Fund through your estate plans. By making a planned gift to CHF, you can provide for your family, and continue your partnership with CHF.

"We think the Children's Health Fund's work is important to today's kids and future generations, so we set up a trust to make sure CHF will be here to help kids stay healthy in years to come."
